SCHOOL FEES

2024/2025

Fees are set on an annual basis as reviewed from time to time by the Board of Directors. To assist with parental planning, fees are divided equally into three termly instalments, due for payment by the first day of the respective term they relate to. For clarity, the fee for each term does not directly relate to the length or provision of content in that term. This is particularly relevant to annual fees for Years 11 and 13 where tuition on exam courses is front-loaded in academic years, whereas the termly fees are divided equally.

Lunch is compulsory and charged at £350 per term in the Prep School (from Reception) and £375 per term in the Senior School.

A complimentary breakfast is available for all children who come in early from Years 3 and above.
